No problem, and I just realized my meeting tomorrow on the dams wasn't with the two of you, so you won't see a meeting cancellation. I hope to get you information soon - there's a lot going on. - Jenny

Subject: [Non-DoD Source] Pre-draft WA federal dam permits

Hi Ken and Don,

I just wanted to let you know that I'm going to cancel tomorrow's meeting. We're still working internally on next steps related to requests for the pre-draft permits for WA federal dams, and I'm waiting for confirmation on those next steps. I'll be sure to let you know as soon as I know anything.
